

# Durant Community School District Return To Learn Handbook for Families

Durant Community School District

408 7th Street  
Durant, IA 52747  
Phone: (563) 785-4432

## Contacts:

Joe Burnett- Superintendent  
Rebecca Stineman- PK-6th Principal  
Joel Diederichs- Jr/Sr High School Principal (7th-12th)  
Maria Brown- Director of Instruction  
Mary Dorris- District Nurse

**All items in this handbook are subject to change at any given time based on changing circumstances. This handbook version is current as of August 14, 2023.**

*Although this document provides a detailed overview of what the 2023-24 school year could look like, we will be responsive to our students' needs and future guidance from the aforementioned organizations. Any parts of our plan may change due to the fluidity of the situation. Updates will be communicated to families through the year.*

Students may bring their own water bottle with them.</p> <p>The Durant Maintenance Team will be moving throughout the facilities to clean high-touch surfaces.</p>

## **Introduction:**

This handbook is based on available public health information at the time of its creation. These plans were created with committees that had representation from school administrators, teachers, nurses, counselors, nutrition, maintenance and transportation directors along with AEA9 Consultants of the Durant CSD. The handbook will be adjusted based on newly available data and guidance from public health officials.

## **Mission Statement:**

It is the mission of the Durant Community School District to enable students to understand the world around them and grow the talents within them so they can become fulfilled individuals and active, compassionate citizens.

## **Learning Options for Durant CSD**

1. **On-Site** - 100% of students physically in the building. Students will follow a traditional schedule with traditional classroom structure.
2. **Remote Instruction**- By choosing not to send your student to school onsite, your student will be participating in the required online learning model provided by the district. At this point the district will be contracting EdGenuity, an online education provider approved by the State of Iowa. The provider will give us access to curriculum in all content areas K-12.

A student's educational success is our top priority. If a student is not earning passing grades, we as a district have an obligation to meet with the student/family and develop an alternate plan.

### **All Grades K-12th**

A family that may need to use Edgenuity at the K-12 level would require a medical excuse. Any changes to the educational setting (online vs. in-person) will occur at semester only.

Any other circumstances will be evaluated by administration.

For more information please contact: [maria.brown@durant.k12.ia.us](mailto:maria.brown@durant.k12.ia.us) or [jenny.dittmer@durant.k12.ia.us](mailto:jenny.dittmer@durant.k12.ia.us)

or explore the following website <https://www.edgenuity.com/>.

## **Leadership:**

All communications regarding changes in delivery of instruction will be by administrators.

### **Communication when changes occur with school closings or required continuous learning:**

The Durant Community School District will provide updates via School Messenger. To be sure the messages reach you, please confirm your email contact information:

1. (School Messenger)
2. JMC Parent Portal - [dursis.durant.k12.ia.us](https://dursis.durant.k12.ia.us) or access is located on the Durant Webpage-request contact information changes.
3. Consider following the district on social media.
4. If you have additional questions, you can always reach out to the Central Office or your building principal.

Durant Community School District Central Office  
563-785-4432

Durant Elementary School (PK-6)  
Rebecca Stineman -Principal  
563-785-4433

Durant Jr/Sr/ High School (7th-12th)  
Joel Diederichs- Principal  
563-785-4431

## Health & Safety:

### Our commitment to health and safety:

1. Students will be offered hand sanitizer upon entering into the building
2. Transportation Cleaning- Sprayer
3. Enhanced Environmental Services- The Durant Maintenance Team will be moving throughout our facilities to clean high-touch surfaces.
4. Masks will be provided for school employees and students who request them.
5. CDC and Handwashing Signage will be posted throughout the building
6. Adults and students, masks are optional.

### Proper hand washing to be maintained:

Additional hand washing time will be built into the daily schedule. Teachers and staff will monitor students to ensure proper handwashing techniques. When hand washing is not feasible, hand sanitizer will be available. Teachers will be issued a spray bottle of hand sanitizer and will spray students hands before entering the classroom. Please consider [the CDC site on handwashing](#) to help your student learn best practices.

### Students who become ill:

- Along with assistance from local public health, the school nurse will be following the Iowa Department of Public Health's Epi Manual chapter on Covid-19 (SARS-CoV-2), which may be found at:  
<https://wiki.idph.iowa.gov/epimanual/Home/CategoryID/522>
- **DO NOT SEND YOUR CHILD TO SCHOOL IF THEY ARE ILL!**
- Students or staff with fever of **100.0** or any other signs and symptoms of illness will be asked to go home. **Please be prepared in some cases for your student to be excluded from school until they are symptom free or for a minimum of 24 hours.**
- If you are called to pick up your student due to illness, it will be expected that he or she be picked up **AS SOON AS POSSIBLE**, or within a maximum **45-60 minutes**. Please make arrangements for this to happen. School staff **MUST** be able to reach a parent or another family contact when needed, and they must be picked up in a timely manner.
- If a positive COVID-19 case is identified at school, they will be required to remain home for 10 days following the onset of symptoms.

**Temperature screenings prior to entering school buildings:**

- At this point in time we will not be administering temperature screenings prior to entering school buildings. The District asks that you take your student's temperature before coming to school. Do not allow your student to attend school if their temperature is above 100 degrees. Call your healthcare provider and the attendance office if your student is presenting symptoms.

**Drinking fountains:**

- Drinking fountains will be available throughout the school day, but we prefer that students bring their own water bottles to school for personal use. If you wish to send a labeled personal water bottle with your student, it needs to be clear, and have a twist off cap for filling that is separate from the drinking or straw opening.

**Cafeteria:**

1. Regular lunch trays and disposable forks will be used. Food may be self serve on buffet or individually packaged.
2. Students will not enter their lunch number on the keypad, they will say their name and the cashier will either enter the student's transaction or scan the student's barcode.
3. Kitchen staff may wear masks or shields. Hand washing and glove use as normal following CDC and ServSafe Food Safety guidelines.
4. Specific cleaning procedures will be implemented in eating areas
5. Hand sanitizer stations throughout lunch lines and cafeteria

**Buses:**

1. Food or drinks will not be allowed on the buses.
2. Face masks are optional on the buses.

**Building and Grounds Recommendations:**

1. Custodial staff members will assess the most effective manner for cleaning, sanitizing, and disinfecting buildings and grounds. Custodial schedules will be changed accordingly. United States Environmental Protection Agency (EPA) approved disinfectants for SARS-COV 2 will be used.
2. In addition to the regularly scheduled cleaning, sanitizing, and disinfecting of all buildings, high-touch surfaces will be cleaned and disinfected daily including tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.

**Classrooms:**

1. Interior doors will be kept open as much as possible
2. Tables will be spread far apart, utilizing all parts of the room for social distancing

**Visitors in the building:**

- Visitors will be limited to essential purposes during the school day to preserve the safest possible learning environment for students and staff. Therefore, visitors need to be pre-approved by the Pk-12 office first.

**Procedure for picking up my child during the school day:**

- If a student needs to leave school during the day for any reason, families will remain outside in their vehicle and phone the office. Students will be escorted out of the building.

**Support appropriate general mitigation strategies across delivery models:**

- The Durant Community School District did require staff to participate in IDOE recommended health training modules and will post and review district health expectations for staff/students and visitors.
- The Durant Community School District will follow IDOE/legal council recommendations regarding privacy in communication to others in suspected COVID 19 cases.
- The Durant Community School District encourages students and staff that are considered “high risk” or immunocompromised to visit their healthcare provider.

**Social Emotional Behavior Health:****Who to contact, If my student is showing signs of emotional distress:**

We encourage you to reach out to your student’s teacher. You may also contact your building principal or guidance counselor for additional support.

Durant Community School Student Services Team:

Jenny Dittmer- Student Services Coordinator

Kristy Badtramm- High School Guidance Counselor

Kristin Milotte- Elementary Guidance Counselor

Here is another resource to help you in case of an emergency or needing additional support:

Eastern Iowa Mental Health and Disability Services Region

Hotline Number: 844-430-0375 this is a 24 hour crisis line

Website: [www.EasternIowaMHDS.org](http://www.EasternIowaMHDS.org)

### **Signs of emotional distress:**

**According to the American Psychological Association, symptoms of distress may look different in children and teens than adults. For children distress may look like:**

- acting irritable or moody
- withdrawing from activities that used to give them pleasure
- routinely expressing worries
- complaining more than usual about school
- crying
- displaying surprising fearful reactions
- clinging to a parent or teacher
- sleeping too much or too little
- eating too much or too little

**For teens distress may look like, all of the above signs of distress in children as well as:**

- significantly avoiding parents
- abandoning long-time friendships for a new set of peers
- expressing excessive hostility toward family members

### **How can I assess my student's emotional health?**

Here are few resources to help you:

- [CDC Helping Children Cope with Emergencies](#)
- [How to Ask What Kids are Feeling](#)

### **Accessing - Wildcat Food Bank Backpacks:**

The Backpack program targets children who are chronically hungry or food insecure. A sack of food is sent home with your child(ren) on Fridays or the last day before a break. It includes nutritious breakfast, lunch, and dinner options for your child(ren) to eat over the weekend. Please contact Student Services Director Jenny Dittmer (jenny.dittmer@durant.k12.ia.us) to refer your child(ren) or for more information on the Wildcat Food Bank Backpacks.
